Elysium Rideabout 40

Ein vom Konzept und Layout bisher weltweit einzigartiges Powerboot ist das am Bodensee gebaute „Elysium Rideabout 40“. Rideabout steht für die beherrschende Position des Skippers, der auf der 1,3 Meter über dem Deck positionierten Sitzbank sitzt. Den acht Tonnen schweren Tender steuert er mit einem Lenker, ähnlich einem Motorrad. Daten: 12 Meter lang, Rumpf aus formverleimten Mahagoni, zwei 370 PS Volvo Penta Diesel, 40 Knoten schnell, 890.000 Euro Komplettpreis

World premiere: Introduction of a computer game
"Tactical Sailing- A Game Against the Wind."

For rookies and amateur sailors of all age groups.
 Opti-World Champions Philipp and Julian Autenrieth:
 "awesome ... this is the best game for Opti sailors." The
 program includes a learning module. Sail a virtual regatta
 on a PC or Mac- this tactical game against the wind
 guarantees all sailors fun as well as success- no matter if
 you sail an Opti or a Yacht. Looking forward to show you
 tactical tips at the Game-Hall A3/303.

Trokriil 21 - sailing trimaran

If you are looking for fast sailing combined with easiest handling and flexibility, with Trokriil 21 you found it. The variable beam of 2,48 - 4,7m and the light weight make it easy for transport and fit for smallest moorings. The spacious interior is sufficient for 4 persons accomodation and gives you enough storage space. The GL Kat. C + D makes it the ideal companion on all waters.

New: fully watercooled electric boatdrives from E-TECH. No overheat and more efficient!

E-TECH has developed the first fully watercooled electric boatdrives for small and big boats . The electronic management as well as the engine are watercooled by a closed system. This prevents from overheating, power shutdown and improves the efficiency drastically. The drive systems are delivered complete, and all parts are numbered for easy installation. Fits on any standard shaft : 25, 30, 40 mm. 2.2 Kw to 10.0 Kw
