1.4 After admission, all services may be ordered via the OSC. You will receive the access code for service orders and media entries with the acceptance documents.

1.5 Stand parties after the close of the trade fair must always be approved by the project management and can be registered via the OSC. MFN reserves the right to charge a fee for additional required security and cleaning.

1.6 Stand construction requirements:

The regular stand height is 3,00m. Stands which wholly or partially exceed this height must be submitted with a plan to the project management for approval at least 4 weeks before the start of the construction work. Two-storey stands need to be applied for with a verifiable calculation (subject to charges).

1.7 The hall floor is made of rare asphalt. Colour defects are possible (re-colouring not possible). The use for floor covering is mandatory.

1.8 Direct sales of products and services is generally permitted. All offered products and services have to be declared with price tag. The prices have to include German VAT and all additional costs.

1.9 Wi-Fi: MFN has its own Wi-Fi, which exhibitors and visitors can log onto. Exhibitor's own Wi-Fi must be registered and comply with specific conditions. Registration and prerequisites can be accessed via the OSC.

Stand guarding can be ordered via the OSC. MFN recommends booking a stand security in the OSC for the entire duration of the exhibition as well as for the set-up and dismantling period.

1.13 Use of operations equipment: For logistic and safety reasons, the use of cranes, forklifts and lifting platforms, hydra ladders is exclusively limited to the official contract partners of MFN. These services can be ordered via the OSC.

1.14 INTERBOOT Marina: The exhibitors have the chance to show their boats in the INTERBOOT Marina. Prerequisite for INTERBOOT Marina admission is the allocation of an exhibition stand at the exhibition grounds. Admission is dependent on the number of available moorings (bow or stern mooring only). Please be aware of the fact that a booth does not automatically guarantee a space at the INTERBOOT Marina. If there are not enough moorings available, the MFN will impose restriction. Other provisions with reference to the INTERBOOT Marina will be mailed together with the admission.

2. REGISTRATION AND ADMISSION

Registration (participation and stand order placement) for the INTERBOOT is made by using the registration form, which must be completely filled out and signed as legally binding. This registration is an offer of a contract, which requires acceptance by MFN. Submission of the registration form shall not constitute a claim for acceptance.

The written participation of MFN with disclosure of the allocated stand (stand confirmation) and the accompanying participation invoice shall be considered as admission to the INTERBOOT. If the content of the stand confirmation differs from the content of the exhibitor's registration, the contract shall take effect in accordance with the stand confirmation, **unless the exhibitor objects in writing within two weeks.
